

So Young

Wipers

Set apart from the rest of the world Caught up in the material
world With the forces of darkness at your side No place to run,
no place to hide

ONLY THE GOOD DIE YOUNG! ONLY THE GOOD DIE YOUNG! ONLY THE GOOD
DIE YOUNG! ONLY THE GOOD DIE YOUNG! Oh, so young

Life's a struggle every day Throw ourselves out in your way Jus
t waiting, waiting for the day When the strength, and the numbe
r's come your way

ONLY THE GOOD DIE YOUNG! ONLY THE GOOD DIE YOUNG! ONLY THE GOOD
DIE YOUNG! ONLY THE GOOD DIE YOUNG! Oh, so young

From the bottom to the top Wondering where your life will stop
They cant let you sneak one by Must control you and your kind A
lways for those who just cant feel Ripped from all but whats th
e deal? Nothing's blessed and none to feel No one's blessed and
no one's real!

ONLY THE GOOD DIE YOUNG! ONLY THE GOOD DIE YOUNG! ONLY THE GOOD
DIE YOUNG! ONLY THE GOOD DIE YOUNG! Oh, so young

Life's a struggle every day Throw ourselves out in your way Jus
t waiting, waiting for the day When the strength, and the numbe
r's come your way...
