Wipers

For all the lonely ones, who live life in the dreamsIt's
so cold and lonely outside, so it seem's. So you keep on
searching, anyway. Maybe you'll find someone tomorrow,
cuz you haven't today. So let your mind be carried, with
the breeze. For you know your not the one's who carry,
the deseise. Cuz your the lonely one. the only one. the
lonely one.
