

Wait A Minute

Wipers

Lets get just a little too proud
Thats the way it appears in a crowd
But it's not quite the same
So you think that you'll never get burnt
Then what are you doing waiting for your turn
Wait a minute
So is it that we're really on trial
But nothing's ever gonna change out style

Let's just a little too loud
That's the way I've seen it written by the
Clouds but I'm so far away

Thought you said I would never get hurt
Then what am I doing crawling in the dirt

Wait a minute wait a minute wait a minute
So just give me a little smile
Nothings ever gonna change our style
