

Youth Of America

Wipers

Youth of america Is living in the jungle Fighting for survival
with the wrong place to go Youth of america There's pressure al
l around The walls are coming down the walls are crumbling down
on you

It is time we rectify this now We've got to feel it now Got to
feel it now, now, now... Whoa!

They attack you from the right side Down the left side Down the
middle 'til you don't know who you are

Stick around because it don't really matter They'll try to put
you 6 feet under the ground

It is time we rectify this now We've got to heal it now Got to
heal it now, now, now... Whoa!

It is time we rectify this now We've got to save it now Got to
save it now, now, now... Whoa!

(Whisper) The rich get richer and the poorer get poorer get poo
rer... Now there's no place left to go... Got to get off this r
ot... You don't wanna be born here again? I don't wanna be born
here again... Man, this just ain't no existence... Beware of t
hose guys in disguise... We're living in the jungle, fighting f
or survival Can't wait much longer, hurry...

Ahhhhhhhhhhhh..... Take the risk... Let it expand your imaginati
on... Take it... We have no place left... No place left No plac
e left No place left to go Ahhhhhhhhhhhhh...

They attack you from the right side Down the left side Down the
middle 'til you don't know who you are

Stick around because it don't really matter They'll try to put
you 6 feet under the ground...

It is time we rectify this now We've got to feel it now Got to
feel it now, now, now Whoa!
