

## Feed Me

Wire

What's the point  
It's your table  
I alter my altar  
For every mouthful  
I hunger

Feed me

Don't give me that  
It's your table  
I grow by in inches  
For every mouthful, you're living  
For every mouthful, I'm running

How fast do you run?  
How fast can you run?
