

## Field Day for the Sundays

Wire

I want to be a field day for the Sundays so they can fuck up my  
life  
embarrass my wife, and leave a bad taste  
That striped toothpaste can't remove on Monday mornings  
I want to be a target for the dailies so they can show  
Pictures of me with a nude on page three, so lacking in taste  
Touched up near the waist, looking as limp as Monday morning
