

## Outdoor Miner

Wire

No blind spots in the leopard's eyes  
Can only help to jeopardize  
The lives of lambs, the shepherd cries

An afterlife for a silverfish  
Eternal dust less ticklish  
Than the clean room  
A houseguest's wish

He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth  
He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth

Face worker, a serpentine miner  
A roof falls, an underliner  
Of leaf structure, the egg timer

He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth  
He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth

He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth  
He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth

He lies on his side, is he trying to hide?  
In fact it's the earth which he's known since birth
