

## Take It (For Greedy)

Wire

Take my trip  
Take the weight  
Take it like a man, or  
Take it straight  
Take it home  
Take the case  
Take a break from the human race

Take your time  
Take a slice  
Take a piece  
Take a bite  
Take the smooth  
Take the rough  
Take a pinch  
Take enough  
Take a cut  
Take the best  
Take what's yours, and  
Take the rest  
Take the buck  
Take the pot  
Take it all, please  
Take the lot  
Take it all, please, take the lot

Take it on  
Take good care  
Take to the hills, or  
Take to the air  
Take the hint  
Take the cake  
Take the poison for goodness sake
