

Horrible Crimes

Wisdom In Chains

I know about secrecy.
I've witnessed horrible crimes.
I've seen shit that literally made me sick to my stomach
But I can't tell sometimes the truth is a curse.
You marry a secret for better or worse.
I've been privy to a few such things
I'll carry forever and ever with me.
you should never tell some secrets
cause it could surely mean your death
just push them out and shut your fuckin mouth
until your final dying breath
I know.
don't say a word
I never told
