

## All Alone

Wisdom

I'm full of so many thoughts  
Poisoned emotions of those  
Glorious days and the pain  
Leads me to go insane

I raise my eyes to the sky  
Slowly as time is passing by  
Try to look deep in my soul  
To understand it all

Time will change, change us all  
Through this human age

We can all lie all alone, hide  
Maybe we need some days  
We can all lie all alone, hide  
Time is gonna heal our pains

I wipe the tears from my eyes  
I'll find the strength to arise  
Please really don't get me wrong  
Leave me to be alone
