

Don't You Mess

Wishbone Ash

Don't you mess with me girl, oh no
Don't you mess with me girl

I got a feeling inside won't let go
Love is so strong this much I know
But you play a good game
Still in love you ain't got no shame
I hold you tight you talk in my ear
You say the things that I like to hear
But I know I'm the only one
You've got some other fools with you, have fun

Don't you mess with me girl oh no
Don't you mess with how I feel inside
Don't you mess with me girl oh no
Don't you mess with how I feel inside

What will you do easy woman
When I say I'm now coming back to you
I know now is the time
Now is the time to get you off my mind
I never said these things to you
It satisfies me through and through
Ain't gonna cry for you no more
I'm gonna sut the door shut the door
