

Keeper of the Light

Wishbone Ash

Mother 's first look to the eyes of a child
Casts the die of destiny
It's a perfect life she gives to you
Not to lose so innocently
Leading the way, she rises above
Unexpected adversity
I hear her calling, keeper of the light
The words of warning, thunder in the night
I hear her calling, guarding what is right
I see her waiting, keeper of the light

A silhouette on the skyline, a symbol of your liberty
Protecting time that's passing by
Mother knows, never lies
A better life the children will see
A world of change, full of hope and sympathy

I hear her calling, keeper of the light
The words of warning, thunder in the night
I hear her calling, guarding what is right
I see her waiting, keeper of the light
