

Living On My Own

Witch Hammer

1.) Brightness of starlight, I see theirs light through the sky

.

They are still closer and they'll be in my hand.

I'm going out from wings that guard my life.

Stand on my own feet, I haven't tried never, never before.

R:) No more dreaming, out of my feelings. I start the living completely on my own.

My heart is bleeding, but there's no fear in. Now I must try on the life on my own.

2.) I just recall my way, in life I've made mistakes.

I had no border, I was odd in my acts.

R:) No more...
