Demonication

Witchery

demons - like whirlwind through your soul no escape - through the flesh like a razor to the bone far from grace-hells hot embrace demonication angels - flee like lambs when approached by the wolf hunters - of the damned will devour your faith they kill without a trace far from grace - hells hot embrace demonication the diabolical force - the minions of death awaits an army of wrath - join the ranks of stink and hate far from grace - hells hot embrace demonication demonication demonication
