

## The One Within

Witchery

Barren plains unholy ground  
A silent scream darkness abound  
Mythical rhymes spoken by few  
Fiendish uprising a legend come true?

Ungodly pleasures mortal sins  
Feeding the one within  
Rise again Rise again

Inverted crosses bloodstained sand  
Ancient symbols carved in hand  
Godless creatures odium fortold  
Devoured by vermin a corpse without soul

Ungodly pleasures mortal sins  
Feeding the one within  
Rise again Rise again

Risen from below  
Captor of your soul  
For beyond retrieve  
Forsaken by your god

Barren plains unholy ground  
A silent scream darkness abound  
Close the circle nocturnal feast  
upon the flesh hellhounds unleashed

Ungodly pleasures mortal sins  
Feeding the one within  
Rise again Rise again
