

Moonfog - a churchbell chimes  
Burning - flames of the stakes grow high  
Castigation - of an inquisition  
A witch - that'll soon be no more  
A soul - forever bannished by the lord  
She's in league with Satan, she must be burned  
So let it be written, so let it be done  
Screaming - out cries - of witchery  
But none do dare defy, the inquisory  
By the powers of the ministry  
She's in league with satan, she must be burned  
So let it be written, so let it be done  
She's in league with satan, she must be burned  
so let it be written, so let it be done
