Witchfinder General

Reality it is a lie The briefest dream before I die To comprehend the cosmic scheme See the truth behind my dream

Look out for me Let's trip on L.S.D. Look out for me D.S. look out for me

Rocky's gold, leb is red Black goes right to my head Mushroom tea, a toke of weed Amphetamine is real good speed

Look out for me Come have some mushroom tea Look out for me D.S. look out for me

Lines of speed on a mirror face Sniff it up through a biro case Heroin is for the hero It's a killer, you gotta say no

Look out for me Let's trip on L.S.D. Look out for me D.S. look out for me

Turn to drugs to free my mind Just to see what I would find Tabs are great, now ask the drummer Smack my friend is just a bummer
