

New York Minute

With the Punches

Life moves pretty fast
can't shake the feeling that I just don't belong here
I can't make sense of the rules
or maybe I've heard too much and it's all talk
just cheap talk to keep your questions down
I know I'm not alone in here
empty promises and fear
made me forget how to think for myself
yeah how to think for myself
common misconception
I slowed down cause I lacked direction
but you couldn't be more wrong
I'm taking time out to see this world for what it is.
