

Memories

Within Temptation

1. In this world you tried
Not leaving me alone behind
There's no other way
I'll pray to the gods: let him stay
The memories ease the pain inside
Now I know why

R: All of my memories keep you near
In silent moments, Imagine you here
All of my memories keep you near
In silent whispers, silent tears

2. Made me promise I'd try
To find my way back in this life
I hope there is away
To give me a sign you're okay
Reminds me again it's worth it all
So I can go home

R: All of my memories...

*: Together in all these memories
I see your smile
All the memories I hold dear
Darling you know I love you till the end of time

R: All of my memories...
