Raise Your Banner

Within Temptation

Blood for freedom

You're pushing me into the corner, don't fight with me Don't fight with me, don't fight with me I'm crowning no man for his armour or rhapsody For what I see and what I feel

Wake up, I'm defying you Seeing right through you, once I believed in you Wake up, feel what's coming Deep within we all know

Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

I'm feeling the eyes of the fallen they're watching me
They make me see, they make me see
I'm feeling the pain how you break them and make them bleed
You make them bleed, you make them bleed

Wake up, I'm defying you Seeing right through you, once I believed in you Wake up, feel what's coming Deep within we all know

The way that you torment me The way that you challenge me The way that you make me bleed

Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

Blood for freedom

So raise your banner, fight your war Break the silence, no remorse Won't die within (Blood for freedom) Raise your banner, won't you come Fight the venom, the good die young Won't die within

When Gods are failing

They put all heaven in a rage We're on our own Our tears keep falling They're setting fire to the flame Blood for freedom
