

Running Up That Hill

Within Temptation

It doesn't hurt me
Do you wanna feel how it feels
Do you wanna know, know that it doesn't hurt me
Do you wanna hear about the deal got I'm making
and you and me here

R1: And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
Be running up that building
If I only could

You don't wanna hurt me
But see how deep the bullet lies
Unaware I'm tearing you a thunder
There is thunder in our hearts
Is there so much hate for the ones we love
Oh, tell me we both matter don't we
It's you and me you and me won't be unhappy

R1: And if I only could... (2x)

...With no problems

C'mon baby c'mon darling
Let me steal this moment from you now
C'mon angel c'mon c'mon darling
Let's exchange the experience

R2: And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems
And if I only could

I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems
