

Where Is the Edge

Within Temptation

In the shadows it awakes the desire
But you know that you can't realize
And the pressure will just keep rising
Now the heat is on

It's too late, there is no way around it
You will see for yourself many times
In the end you will give up the fight
It's unescapable

'Cause you're losing your mind and you sleep
In the heart of the lies

Where is the edge
Of your darkest emotions?
Why does it all survive?
Where is the light
Of your deepest devotions?
I pray that it's still alive

It's the rule that you live by and die for
It's the one thing you can't deny
Even though you don't know what the price is
It is justified

So much more that you've got left to fight for
But it still doesn't change who you are
There is no fear you'll ever give in to
You're untouchable

'Cause you're losing your mind and you sleep
In the heart of the night

Where is the edge
Of your darkest emotions?
Why does it all survive?
Where is the light
Of your deepest devotions?
I pray that it's still alive

You can't stop yourself
Don't want to feel
Don't want to see what you've become

You can't walk away
From who you are
Never give in

Where is the edge
Of your darkest emotions?
Why does it all survive?
Where is the light
Of your deepest devotions?
I pray that it's still alive
