

## Feeding Frenzy

### Within the Ruins

You're eating yourself alive  
Alive and you don't even see it  
Accept the signs  
You can take it or leave it

Whatever happened to integrity?  
Whatever happened to sincerity?  
A feeding frenzy  
A monstrosity

Leeching on tho a host and never letting go  
You're bleeding it dry,  
Draining it of any growth  
Once a leech now turned into a ghost  
The feeding frenzy has left you all alone

So now it's time to let go  
So now it's time to let go  
So now it's time to let go

The only thing a fool knows  
The only thing that is visible  
Is what has been put on the pedestal  
The only thing a fool knows

Leeching on tho a host and never letting go  
You're bleeding it dry,  
Draining it of any growth  
Once a leech now turned into a ghost  
The feeding frenzy has left you all alone

Their sights are set  
And now they feed  
Their senses are numb  
But still they feed

Forgive them for they don't know what they do  
This is all they know  
Their senses are numb  
And still, and still they feed  
And still they feed

They're eating themselves alive

So now it's time to let go  
It's time to let go  
It's time to let go  
It's time to let go
