

The Book Of Books

Within the Ruins

We have dethroned the King so you could step in
Who do you think you are?
You are just a man, you are
You are just a man
No such divinity
You are just a man
You have destroyed the book of books to replace it with your lies
Pray for your life
Pray for your life has you preyed on us
Pray for your God
Pray
Choose a side
You walk the line
We chose our own path
We chose our own path
We chose our own life
You're all like the rest
Stand in line
Deceive us and lead us into the dark
Deceive us and lead us
Deceive us and lead us into the dark
Deceive
You could never bring us down
We have dethroned the King so you could step in
You have dethroned the King
Reveal yourself to the ones you falsely lead
Reveal your face
Watch over and set me free
