My momma ain't raise no fool nigga Matter of fact, maybe she did My momma raised a fool (haha) But that don't mean we can't get rich Too rich (too rich) That's what they say Humble beginnings Rich ass endings Pockets on swole Big ass bingies Started off losin' Man it wasn't choosin' Stuck with my nigga's Now we all winnin' Rollin' up paper Ball like a Laker Top on the building I'm high as a 'scraper What can I say now Cops know my name now No time to play round I'm rich and I'm paid now Stay on that piece for shit for nigga's that spray rounds Hear all the talk, they gon' come see you any day now Try not to fade now Try to find a way out Nobodies innocent nigga Get down or lay down Made so much money but look how I'd paid out Don't trust the bank no more so I went and got a safe in my house Guess all these diamonds on my wrist What u blinkin' about It's all my money on my mind when I'm thinkin' about Try to be the best that I can They got the right decisions, handle it like a man You know I try to do shit with my heart They talk but I don't listen I just finish what I start You know I tried the nigga's that said I can't They got the right decisions, handle business like a man You know I try when people say I should change Sometimes I'm done with trying, I'm just trying to be the same Nigga's still hating Critics still weighting Said that I'd change my ways and start catching these cases But never said I'd stop counting these faces Flyin' new places Buying them cases Nigga's want problems I don't entertain it Cause if it's real problems It's not entertainment I'm rollin' a joint up Precise like a painter

The grind is what made us The grind is what made us Now the nigga's that I grew up with lookin' richer Too much turnin' up The club owners tryin' to censor Tatted everywhere my full body full of scriptures Pull up in the phantom Paparazzi takin' pictures Sellin' so much swag We should be your swag vender Big winner in the club, big cash spender Throwin' signs to my man like he a damn pitcher Some shit you can't witness My nigga we been business

Try to be the best that I can They got the right decisions, handle business like a man You know I try to do shit with my heart They talk but i don't listen I just finish what I start You know I tried the nigga's that said I can't They got the right decisions, handle business like a man You know I try when people say I should change Sometimes I'm done with trying, I'm just trying to be the same
