

# Pittsburgh Sound

Wiz Khalifa

Around these parts  
I'm known as the youngest in charge  
My shit bang out the trunk of your car  
It's the cities known rap spitta  
Semi blown clack niggas  
Skin and bones but really known as that nigga  
I'm known to chase the bucks  
Grind to get my paper up  
In the studio writin rhymes till the paper crunch  
I'm not the type that you would call em a thug  
But I'm a huster it's all in my blood  
So if its all for the cheese then I'm in it  
My screws kinda loose so I ease to the finish  
I hop up in the coupe feel the breeze while I'm in it  
Blowin smoke up out the roof from the trees that I'm spliffin  
Youngin got the game on lock  
I'm on top it's a shame y'all not  
You a lame put your brain on pot  
Leave you wet like the rain y'all drop  
I'm gon rock and I ain't gon stop

Who's the kid spittin flames  
Changin the game  
His name, it's Wiz Khalifa man  
From the home of the greats  
Where they known for the cake  
The place, that steel city damn  
I got that Pittsburgh sound  
And I'mma always hold Pittsburgh down  
It's Wiz Khalifa man  
You can't tell by now  
Pittsburgh I'mma swell my town  
That steel city damn

Roll rubber you don't know who you dealin with  
Oh so innocent but flows so diligent  
My spit game's like a 44 killin shit  
Know your man warm but the young ball killin shit  
Realist shit and your main wife dig me  
Game try and hit me  
Kick game like 50 Cent  
Niggas wanna play games I quickly  
Mob with a squad that will bang out wit me  
And they want the kid still hurtin  
Hundred niggas wit hammers  
Yea, that's what I call a steal curtain  
I handle my time and still work it  
Put in work couple mill worth in  
And I'm from Pittsburgh where the green  
and the eatin is good  
And the fiends do everything in the hood  
Everyday is like a war so my soldiers ride fatigues in the hood  
And we gettin all the green like we should

Who's the kid spittin flames
