Say Yeah

Wiz Khalifa

It's say yeah One night in town My niggas round Throwin money Them bitches hit the ground Then bring it back up She bringin backup Put em in that black truck So many hoes they lapped up My niggas leanin Diddy boppin Let's get it poppin I said let's get it poppin Just look at how she drop it Lil mama a certified pro She need her own show Slide on down that pole and grind slow Hell no I ain't countin my dough I came to blow it all And get some brains trynna find miss know it all And I got my cup filled you see how them bucks peel Young pimp see how grab me up and chicken just chill In the back of the club With a stack full a dubs Drop it low like a pro Bring it back that's what's up All my dogs up in here Plus there's hoes everywhere Niggas stunt like you don't care Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh) I'm high and drunk doin my same dance They call it pocahontas doin that rain dance Talkin dough I got it so make it rain man Cause tha flow retarded sorta like that rain man Borderline insane man Look at all these dames damn When a nigga gettin money And I'm a changed man You smell that haze scent Know my gameplan Trynna get it smackin I ain't with dat gameplan Lil momma work for every dollar she drop it low Pop it slow stop and go Lots of smoke we keep em rollin up Shorty mad she came with you She wanna roll with us

In the back of the club With a stack full a dubs Drop it low like a pro

Bring it back that's what's up All my dogs up in here Plus there's hoes everywhere Niggas stunt like you don't care Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh) And say yeah And say yeah And say yeah I said listen here I do it broad day All day Smokin on that bomb hay And I got my cup filled you see how them bucks peel Young pimp see how grab me up and chicken just chill In the back of the club With a stack full a dubs Drop it low like a pro Bring it back that's what's up All my dogs up in here Plus there's hoes everywhere Niggas stunt like you don't care Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh) Throw that money in one hand and say yeah Throw that money in the air and say yeah (yeeeaaahh)
