

# Very Special

Wiz Khalifa

Yeah, yeah, yeah  
Yeah, yeah  
Eh, eh, eh  
Uhh

I treat you special cuz you very special  
I treat you special cuz you very special  
Will I forget you, I might probably never  
I treat you special cuz you very special  
I treat you special cuz you very special  
I treat you special cuz you very special  
You bring your friends for me like ohh that's extra  
I treat you special cuz you very special

Hotels ain't enough, get the crib like we live there  
Been a player, I ain't fucking up  
Handle my business, my squad chilling  
Focus on what I'm building, you should probably be fliming  
What I'm smoking is quality, not for children  
Half these niggas is wannabe, I came up different  
Call me in the clutch, perfect timing, never rush  
Top floor, bring it up, ain't the gang came with us  
(Yeah yeah yeah yeah)

I treat you special cuz you very special  
I treat you special cuz you very special  
Will I forget you, I might probably never  
I treat you special cuz you very special  
I treat you special cuz you very special  
I treat you special cuz you very special  
You bring your friends for me like ohh that's extra  
I treat you special cuz you very special

Love how I treat you, fuck you once, nice to meet you  
Your outfit see through, other bitches dying to be you  
Nigga wonder why you leaving with me  
Tired of him, she wanna ride with nigga who sees what she sees  
Hit me up when you need company  
Or if you're ever free, I'm never hard to reach  
Baby I'm been on this, come to weed I smoke them bombest  
Hold it down, maybe the gang is what you could be a part of

I treat you special cuz you very special  
I treat you special cuz you very special  
Will I forget you, I might probably never  
I treat you special cuz you very special  
I treat you special cuz you very special  
I treat you special cuz you very special  
You bring your friends for me like ohh that's extra  
I treat you special cuz you very special

Imma roll two when I rode through  
Imma roll two when I rode through  
Hey  
And I show them how to roll too  
Two papers, two rollies  
Roll two
