## **Dead Hope**

Two souls now dancing To the music of their dreams Baldur and Iduna Hand in hand they walk through Hel

Blinded by cruel darkness They can't see what is around Dazzled by their feelings They don't hear the chaos scream

Two souls embraced by eternity Brought together by a cruel destiny Now they'll live 'til the end of time In the realm of the death-queen

Baldur is dead, the god of life Killed, bleeding in the sand Baldur is dead, a poison arrow shot By an evil hand

Cold tears, no emotions Two living souls in a dead world See the death-queen laughing Don't care about their pain

Crying gods in Asgard All hope is gone cold emotions What stands in the future? When all is said and done

Baldur is dead, the god of life Killed, bleeding in the sand Baldur is dead, a poisoned arrow Shot, by an evil hand

Kill Shot Kill Wizard
