

# The Powergod

Wizard

The incarnation of brutal power  
The leader of the wild hunt  
The highest god in Asgard  
The master of death and glory

Two ravens on his shoulders  
Two wolves at his feet  
He is the lord of the golden hall  
He is the god of wisdom  
He is the god of rage  
He is the god of unity and war

Odin - the power god

Now he gathers the Einheriers  
He leads them to the final battle  
Riding in the first line  
Now his spear crosses the battlefield
