

Nice Day

Wizo

I wook up in the morning, by the ringing of the telephone.
And everything she said to me was 'baby please come home'!
It took a while to realize that I was only dreaming
'cause she died some days ago and nothing's like it seems
Memories inside my head, the sun is shining bright
Seems like I loose the will to live, just wanna catch the light
...

It's a nice day to die today
I close my eyes and I can feel you standing right beside me
But when I open up my eyes there's nothing like it used to be
I know the only way for me is going to the other side
The place where evil turns to good, and darkness turns to light
Memories....
