

## Nice Day

Wizo

I wook up in the morning, by the ringing of the telephone.  
And everything she said to me was 'baby please come home'!  
It took a while to realize that I was only dreaming  
'cause she died some days ago and nothing's like it seems  
Memories inside my head, the sun is shining bright  
Seems like I loose the will to live, just wanna catch the light  
...  
It's a nice day to die today  
I close my eyes and I can feel you standing right beside me  
But when I open up my eyes there's nothing like it used to be  
I know the only way for me is going to the other side  
The place where evil turns to good, and darkness turns to light  
Memories....
