Wolf Alice

Shake your hair
Have some fun
forget our mothers and past lovers
forget everyone
Ooo
I'm so lucky
You are my best friend
There's no one
There's no one that knows me like you do
just me and you

Remember when we cut our hair
Both look like boys
But we didn't care
Stuck it out together like we always do
Ooo there's no one, there's no one quite like you
just me and you

oh jumped on the 43
are you wild like me
raised by wolves and other beasts
I tell you all the time
I'm not mad
you tell me all the time
I got plans
oh jumped on the 43
are you wild like me
raised by wolves and other beasts
I tell you all the time
I'm not mad
you tell me all the time
I got plans

Me and you
Me and you
Me and you
we can do anything, I'm quite sure.
Me and you
Me and you
Me and you
we can do anything, I'm quite sure.

me me me, me me and you
me me me, me me and you
