

We're Not the Same

Wolf Alice

Long live, you're amazing
Long live, I am strange
We'll work Mondays together,
You wait

Well, aren't you feeling brave?
We're not the same,
You and I
Oh, what a shame,
Bye-bye
We're not the same,
You and I
Oh, what a shame,
Bye-bye

Meet me at Queen Caroline
I'll meet you anywhere
Left me down the broken
You wait

Well, aren't you feeling scared?
We're not the same,
You and I
Oh, what a shame,
Bye-bye
We're not the same,
You and I
Oh, what a shame,
Bye-bye
Bye-bye
Bye-bye
