

# You're a Germ

Wolf Alice

Georgie rides a bike  
To pick her up from school  
He likes her cause she's pure  
She likes him cause she heard he's cool

You're a germ  
Twist my insides  
You're a germ  
We're here to fight

This is not exploring  
When you are dead inside  
What were you before him? (Eyes wild, eyes wide)

Makes me squirm  
Twist my insides  
Makes me squirm  
We're here to fight

One! two! three! four! five! six! seven!

You ain't going to Heaven (Eyes wide, eyes wide)  
Cause I'm draggin' you down to Hell (Eyes wide, eyes wide)  
Where's Mom and Dad so you can tell them? (Eyes wide, eyes wide)  
You're a dirty fucker as well (Eyes wide, eyes wide)

Georgie takes to the mic  
Plays the same songs every year  
His leather looks pretty cheap  
And the clock gives him the fear

You're a creep  
Twist my insides  
You're a creep  
We're here to fight

One! two! three! four! five! six! seven!

You ain't going to Heaven (Eyes wide, eyes wide)  
Cause I'm draggin' you down to Hell (Eyes wide, eyes wide)  
Where's Mom and Dad so you can tell them? (Eyes wide, eyes wide)  
You're a dirty fucker as well (Eyes wide, eyes wide)  
You ain't going to Heaven (Eyes wide, eyes wide)  
Cause I'm draggin' you down to Hell (Eyes wide, eyes wide)  
Where's Mom and Dad you can tell them? (Eyes wide, eyes wide)  
Tell them you're a dirty fucker as well! Yes you Are!
