

Heavy Weight

Wolfmother

I was standing on the edge of the mountain
Thinking about yesterday
I recognised what you said
I think I heard you say
I saw you flying (flying)
So high in the sky

I need to contemplate
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight

I was standing on the edge of the mountain
Thinking about yesterday
I thought I heard somebody saying
Just what you said
I saw you flying
So high in the sky

I need to contemplate
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight

I need to contemplate
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight
Woah, heavy weight

Woah, heavy weight
