

# Following You

Wolfsheim

You're walking through the night  
Still can't near in light  
And I'm following behind

You're playing games of sin  
None that fools can win  
And I'm following behind

Following you, following you, following you

Do lovers understand your ply?  
You command and they'll obey  
And I'm watching from behind

One step forward, two steps back  
I'm still following your track  
And I'm watching from behind

Following you, following you, following you

Waiting here, beside you  
I'm waiting for your call  
Watching liars passing by  
Ooh, I hate them all

Don't you realize  
That I'm the only one  
Who's good for you?

You're so heartlessly sincere  
But I'm still following you endlessly  
I'm following behind

You ain't whore, you ain't nun  
On the hunt and on the run  
And I'm watching from behind

Always cheating, telling lies  
Behind your door I heard you sigh  
"Oh prudence, come and rescue me"

Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)

Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)

Prudence come and rescue me  
(Following you)

Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)

Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)  
Prudence come and rescue me  
(Following you)
