I Don't Love You Anymore

Wolfsheim

I don't understand you saying "Our seas were always rough!" We had to make it up someway But years were not enough

I will not praise the times we had And won't deny that I feel sad The silence speaks for you and me While we're dancing

I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancing

I will not praise the times we had...

Look at what we have today I can't live without you! That's not what I want to say But it seems so true

I will not praise the times we had...

So many good times that wehad

(I) Can't help myself... I feel so sad...

I wish that you would speak to me

While we're dancing

I don't love you anymore
