## **Tender Days**

## Wolfsheim

Prowling streets at night The moonlight's burning And I'm feel so lonely

Dark and dull my mind A crying emptiness I cannot cope with

I'm yours
You're mine
Our love eternal

One day You left My heart in silence

All the merry dreams we lose
We will never know the truth
No shade of doubt, no need for prove
You're my queen and I'm your fool
Remember tender days of youth

You're my sun, you shine into my heart Innocent and pure, you save me from the dark

Youth has come, youth is gone
In every breath I smell your beauty

Deep and true my love for you Like something words I cannot find for

My God! what is it for You took my love away

"Don't shed no tear!" she said But nothing's left that I can hope for
