

Where Greed Talks

Wolfsheim

Here's to you...my friend...
Here's a kind of love for you...
Can you see my eyes...my view turns away
Dancing shades on my face...that's where stars cannot shine
Silence...is coming soon today...
You think you're right
But it works inside
It's started long ago
You're bored by your ruined life
But you think it must be so...
Why can't you see...these staring sick eyes everywhere
It's a sin...that's a fact you can't deny...
Blow away these walls...
Your life a train just passing by...
These always watching eyes...
This killing voice...
Always talks to me...
Always spinning around
Silence...is coming soon today...
