

## Relief

### Wolves At The Gate

For we do not have a God who cannot sympathize with our weaknesses,  
But One who has been tempted in all things as we are, yet without sin.  
Therefore let us draw near with confidence to the throne of grace, so that  
we may receive mercy and find help

All who are burdened and seeking respite.  
All of the hopeless, wretched and desperate.  
All who are worn out and feeling oppressed.  
Come in and find your rest.

We've seen your scars.  
As it has captured like  
Like prison bars.  
Bitter and sharp it runs down.  
Runs down your skin.  
It doesn't ease it hides,  
Hides wounds within.  
We aren't deaf, we've heard.  
We've heard your plight.  
As dark as night.

In pain you've cried.  
That hope has died.  
I know that you're guarded,  
I've been there before.  
Sin is crouched at your door.  
Come find your rest.  
I've traded all of my sin  
I once counted worth.  
For healed wounds and rebirth.  
Come find your rest.

All who are burdened and seeking respite.  
All of the hopeless, wretched and desperate.  
All who are worn out and feeling oppressed.  
Come in and find your rest.  
Come in and trade your tears.

(Your tears)  
All worry and ease your fears.  
(Your fears)  
Your burden is not unknown.  
(Unknown)

Don't run friend  
You're not alone.

For we do not have a God who cannot sympathize with our weaknesses,  
But One who has been tempted in all things as we are, yet without sin.  
Therefore let us draw near with confidence to the throne of grace, so that  
we may receive mercy and find help

For all confined come be set free.  
For all the blind that long to see.  
Come and receive the perfect relief.  
Come and believe He bore your grief.  
Rise up as the war has ceased.  
No bondage you have been released.

Released, released.  
All who are burdened and seeking respite.  
All of the hopeless, wretched and desperate.  
All who are worn out and feeling oppressed.  
Come in and find your rest.  
Come in and trade your tears.

(Your tears)

All worry and ease your fears.  
(Your fears)  
Your burden is not unknown.  
(Unknown)  
Don't run friend  
You're not alone.  
Come all you weak and contrite.  
He'll strengthen and clothes you in white.  
Come all you weak and contrite.  
He'll strengthen and clothes you in white.
