

Best Christmas Ever

Wonder Girls

Another Christmas, what a time
I wish I had somebody to call mine
Yes all the carolers sing
All through the night falalalalala

All the gifts sitting under the tree
They don't really mean that much to me
If only this year I could have someone by my side
Singing falalalalalalala

I hope my Christmas wish comes true
Hey Santa do you hear me?
When underneath the mistletoe I found you
It's a miracle! a Christmas miracle!

Oh boy, it's Christmas
Everybody singing falalalalalala
Season for wishing
This year I found somebody special
And I'm thanking you, for all the joy
And making this woo ohhhhhh
The best Christmas ever, 'cause I found you

Snowflakes floating in the air
A Jack frost nipping on my ear
But I'm warm and cozy with you here by my side
Falalalalalala

This holiday so full of cheer
Wanna feel it even more this year
Like a reindeer making me believe I can fly
Singing falalalalalala

So glad my Christmas wish came true
Yes, Santa really heard me
'Cause underneath the mistletoe I found you
It's a miracle! A Christmas miracle!

Oh boy, it's Christmas
Everybody singing falalalalalala
Season for wishing
This year I found somebody special and I'm
Thanking you, for all the joy
And making this woo ohhhhhh
The best Christmas ever, 'cause I found you!

Yeah babe, babe, found ya underneath the mistletoe
The bestest present I could get without a row
Look at me singing, jingle bells ringing
Better get ready 'cause Santa is bringing you
And all that I wanted was you

I'm so glad my Christmas wish came true
I guess Santa really heard me
'Cause underneath the mistletoe I found you
It's a miracle! A Christmas miracle!

Oh boy, it's Christmas
Everybody singing falalalalalala
Season for wishing
This year I found somebody special and I'm
Thanking you, for all the joy
And making this woo ohhhhhhhhhhhhhhhhhh

Oh boy, it's Christmas
Everybody singing falalalalalala
Season for wishing
This year I found somebody special and I'm

This year's brand New Year is better
This is the best Christmas ever
Christmas time with you is better
This is the best Christmas ever
