Porpoise Song

Wondermints

My, my the clock in the sky is pounding away And there's so much to say A face, a voice, an overdub has no choice An image cannot rejoice Wanting to be To hear and to see Flying to the sky But the porpoise is laughing goodbye - goodbye Goodbye - goodbye - goodbye Clicks, clacks riding the backs of giraffes for laughs Is alright for awhile The ego sings of castles and kings and things That go with a life of style Wanting to feel To know what is real Living is a lie But the porpoise is waiting goodbye - goodbye Goodbye - goodbye
