

It Can Be Beautiful (sometimes)

World Party

Oh, I want to walk this world around
I'd want to walk this world around
Wanna see all the people
Takin' everyday one step at a time

It was just a moment ago that I remember
And she said
Don't you know it can be beautiful sometimes
Don't you know it can be beautiful sometimes

Don't you know it can be beautiful sometimes
Don't you know it can be beautiful sometimes
Don't you know it can be beautiful sometimes
Don't you know it can be beautiful sometimes
