

# Radio Days

World Party

I don't know why, I don't know when  
I don't know how, I don't know who  
I don't know where, I don't know what  
I don't know which, I don't know why

Thought we could work it out  
But I might have been sleeping  
I used to give a uhh  
But now I don't care

I'll plug you into heaven  
Turn up the level  
I'll pull you in and out  
Watch the fuses blow  
'Cause you just don't know

You just don't know  
You just don't know  
You just don't know  
You just don't know  
You just don't know

I don't know why, I don't know when  
I don't know how, I don't know who  
I don't know where, I don't know what  
I don't know which, I don't know why  
I don't know when

But all I see is chaos and misunderstanding  
Why don't you turn it off  
Leave the world alone  
'Cause you just don't know

You just don't know  
You just don't know  
You just don't know  
You just don't know  
You just don't know  
You just don't know

I don't know why, I don't know when  
I don't know how, I don't know who  
I don't know where, I don't know what  
I don't know which, I don't know why  
I don't know when

I don't know how, I don't know who  
I don't know where, I don't know what  
I don't know which, I don't know why  
I don't know when

I don't know who, I don't know where  
I don't know what, I don't know which  
I don't know why, I don't know when
