Positivity; Positivity please won't you breathe on me.
Positively; I'm positively freezing to death.
I want to find my way to my own time.
Relativity; I'm waving at you while you're driving by me.
Relatively; It's getting harder to catch a breath.
I want to find myself in a good time.

Faith; You don't need to believe it.
Faith; 'Cause they're just going to deceive you/
Sooner or later.

Sensitivity; I'm in need of those things that you do to me.
Sensibility; Having a feeling is not enough.
Don't want to talk on by my own time.
Possibilities; The possibilities dance all around me.
Momentarily; Just takes a second to lose your way.
But I can myself in my own mind.

Faith; You don't need to believe it.
Faith; 'Cause they're just going to deceive you/
Sooner or later.
And I know, I know, I know ...
Know and you'll feel so sure.
Sooner or later,
I'll find out.
Sooner or later.
Find myself.

Faith; You don't need to believe it.
Faith; 'Cause they're just going to deceive you/
Sooner or later.
Faith; You don't need to believe it.
Faith; 'Cause they're just going to deceive you/
Sooner or later,
You'll find out,
Sooner or later.
