

# Take It Up

## World Party

I got an extra glimpse of the truth today  
Staring at my breakfast  
When I thought I heard it say  
Fighting is no good  
Success an empty lie.  
The treasure hunt is lonely  
Until you realize.

We came to take it up  
We came to take it up  
We came to take it up  
We came to raise it up  
Came to take it up  
Came to move it up.

I promise you miss, I will do my best today  
But somebody keeps trying to make me  
Trying to make me lose my way  
But I believe, oh my darling,  
I believe in you  
And I hope when you hear this  
You'll remember what we were sent to do

We came to take it up  
Came to take it up  
Came to take it up.  
We came to move it up  
Came to raise it up  
Came to praise it up  
I came to take you up  
You came to take me up  
We came to take it up

Take me up  
Take me up

Speeding out of the town  
I thought I'd lost my way  
Til I saw the green and ebony  
Come a-wondering about their pay.  
Well, I've got the money  
If you've still got the friends.  
We can really put this world to right  
Or sit and watch the end.  
You know

We gonna take it up.  
We gonna move it up.  
We gonna take it up.  
We gonna take it up.
