

Ferocious Bombardment

Wormrot

The act of aggression,
Drugged with senseless violence,
Paralyzed by the terror,
head first to the f**king ground.
Numb with shock.
Nothing but convulsions of laughter
In dreadful f**king fear.
In agony he does it again.
The act of aggression,
Drugged with senseless violence,
Paralyzed by the terror,
Head first to the f**king ground.
Fuck.
