

## Stench Of Ignorance

Wormrot

Stench of ignorance  
Fucking parasite,  
Exterminate your sorry ass,  
No mask can conceal,  
His ignorance and arrogance  
Destitution  
Overbearing pride,  
Exaggerating opinions,  
Realized in the wrong,  
But like a stubborn infection  
Get a new life you f\*\*king bastard,  
Ungrateful piece of worthless shit  
Stench of ignorance
