

Waste Of Time

Wormrot

Waste of our time
Working our ass off
But no one really cares,
Pouring down blood and sweat,
They just stand with endless stares.
No f**king clue, baffled all around
Get the f**k out
If you are annoyed
By so called noise pollution,
We have no clue,
Why are you still doing here?
Secluded in a pathetic spot,
Covering your ears,
Unwanted trash,
Why are you still doing here?
Fuckoff, what a waste of time.
